The [School Choice Application Form](#) can be downloaded from the district web site as linked. Paper copies are also available in the district administration office. All applications must be postmarked/date stamped NO LATER THAN MAY 1, 2018, for students to begin the fall semester of the 2018-2019 school year.

As applications are received, they will be date and time stamped. A determination on each application will be made in the order in which the applications are received. Parents will be notified in writing no later than July 1, 2018, of the decision to accept or reject the application based upon capacity. Priority will be given to an applicant who has a sibling or stepsibling who resides in the same household and who is already enrolled in the district by choice. The district may reject an application for admission if its acceptance would necessitate the addition of staff or classrooms exceed the capacity of a program, class, grade level, or school building, or cause the district to provide educational services not currently provided. Students admitted under this policy shall be entitled to continue enrollment until they graduate or are no longer eligible for enrollment in the district's schools.
